Alibaba at a Glance

Alibaba's Mission

Our mission is to make it easy to do business anywhere. Our founders started our company to champion small businesses, in the belief that the Internet would level the playing field by enabling small enterprises to leverage innovation and technology to grow and compete more effectively in the domestic and global economies.

Alibaba's Vision

Alibaba's long-term strategic goal is to serve two billion consumers around the world and support ten million businesses to operate profitably.

Company Overview

Alibaba is the largest retail commerce company in the world in terms of GMV (gross merchandise volume). As of September 2016, we had 439 million annual active buyers on our marketplaces connecting with millions of merchants and brands.

Our businesses are comprised of core commerce, cloud computing, digital media and entertainment, innovation initiatives and others. Through investee affiliates, we participate in the logistics and local services sectors. We have a profit sharing interest in Ant Financial Services, the financial services group that operates through Alipay, the leading third-party online payment platform in China.
